Commissioner for Patents

Dear Mr. Huang:

This communication is to inform you that PTOL-85 (Rev. 12/04), filed 20 July 2005, contained an ambiguous information; specifically, although you have included the assignee residence information, the assignee name was omitted (see Item 3 of attached Exhibit A).

Several attempts have been made to contact you regarding this matter without success.

Therefore, based on the information available on record, the Office has concluded that no assignee has been designated, and that the assignee residence and the assignee category indicated in said PTOL-85 are in error; thus, the partial assignee information provided in said PTOL-85 has been removed (see attached Exhibit A) and no assignee data will appear on the patent.
